

MOUNT COOK EXCLUSIVELY

Private Mount Cook Day Tour

“Mount Cook – a glacier wonderland”

TOUR ITINERARY

- The tour begins with a scenic drive through the spectacularly rugged Kawarau gorge. The mighty Kawarau river follows the road through precipitous bluffs and rock strewn hillsides.
- Popping out the other end of the gorge the township of Cromwell sits in the true heart of the Central Otago wine and fruit-growing region. A quick stop at one of the local fruit stalls is a must.
- Travelling along the shores of Lake Dunstan into the Lindis country one gets a sense of just how remote and sparsely populated the area is.
- Past Omarama the first of two large alpine fed lakes appears into view, the almost luminous colour of these lakes adds spectacularly to the grandeur of the scenery. Mount Cook, or Aoraki as it is known to the local Maori, stands imperiously at 3,754m above sea level. It is New Zealand’s highest mountain.
 - Optional activity: Take a scenic flight with Mount Cook Ski Planes.
 - Glacier Highlights flight: 40min flight up the length of the Tasman glacier, includes glacier landing.
 - Grand Circle flight: 55min flight around the summit of Mount Cook, fly over the Fox and Franz Joseph glaciers and a 10min glacier landing. (Weather dependant).
 - Lunch at the Hermitage Hotel, Mount Cook. Several lunch options are available; a buffet lunch or a café lunch option
 - Return to Queenstown.
