

DOUBTFUL SOUND EXCLUSIVELY

Private Doubtful Sound Day Tour

A wonderful day that will reveal the awe and mystery of heart-stopping scenery and serenity that is Doubtful Sound.

TOUR ITINERARY

- Departing from Queenstown in your private luxury vehicle, we begin the lakeside drive to the south of Queenstown, which unfolds into the lush green of Southland's alpine farming country before heading for the unforgettable drama of Fiordland's scenery.
- The crystal clear waters of Lake Manapouri provide the second leg of this unforgettable journey, a cruise to West Arm to join a coach for the short scenic trip to Deep Cove.
- Wilmot Pass is one of New Zealand's most remote sub-alpine crossings, complete with dense rainforest and spectacular views of Doubtful Sound glinting far below.
- At Deep Cove the Patea Explorer is your vessel for a three hour cruise around the most dramatic scenery of Doubtful Sound, the second largest of the 14 fiords in Fiordland, where nature guides provide engaging commentary and point out highlights.
- Bottlenose dolphins frequently swim alongside, fur seals bask on the rocks around the fiord and rare penguins can be observed in season.
- On your return to Pearl Harbour your driver-guide will be ready and waiting to return you to Queenstown.
